Subject : request on date extention for assignment submission.

Dear Professor Dr. Aindam Dutta,

I hope you are doing well.

I am writing to respectfully request an extension for the upcoming assignment in Electric Circuits and Systems, which is currently due on 31st march 2026.

Unfortunately, I have been dealing with a personal health issue that is making it difficult for me to complete the work on time. I have already completed a significant portion of the assignment and am working hard to finish it. Would it be possible to submit my work by 2nd April 2026.

I understand the importance of meeting deadlines and appreciate your time and consideration of my request. Please let me know if this extension is acceptable or if you require any further information.

Yours sincerely.
