Subject: Summer internship inquiry.

Dear Sir,

I hope you are having a productive week.

My name is Munna Babu Ansari, and I am currently a student at VIT Bhopal University pursuing a B.Tech in Computer Science and Engineering. I am writing to express my strong interest in a summer internship opportunity with Infosys.

I have been following Infosys's work in digital transformation and innovative technology solutions, and I am very impressed by your approach to helping businesses navigate their digital journeys. As a student with a solid foundation in Python, C++, and Data Structures, I am eager to apply my technical skills to real-world projects and learn from the experts on your team.

Attached is my resume for your review. I would appreciate the opportunity to discuss how my background and enthusiasm for software development could contribute to your team this summer.

Thank you for your time and consideration. I look forward to hearing from you.

Best regards,

Munna Babu Ansari
